FROM THE DIRECTOR

END OF SUMMER

How great was everyone's summer? ☺ We had some fun moments here at the center.

We had the Animal House come in, as well as Mad Science. We had some water days outside, to cool down from the heat. Jane came to visit us from the library and our older friends visited the grandma's and grandpa's at Linden Grove. Some people dropped pins and shared where they have been on vacation. Our 4k graduation was one of the biggest turnouts ever with Miss. Bouma. And lastly our Kona Ice Truck was a great success in bidding our Greenridge sight adieu. Here's to hoping you have a great August and the end of your summer is filled with memories.
