

Kids Connection 2

March 2021

From the Director

Warmer weather is here and hopefully to stay! Keep in mind that with snow melting, we may not get outside every day, as the playground can be quite wet and sloppy. Please continue to bring snow gear until we are certain spring is here to stay.

We would like to welcome Ms. Terisha and Ms. Kim to our team! Ms. Terisha can be found working in our Toddler classroom and Ms. Kim can be found working in our Preschool A classroom. As you may have noticed, we added a Teacher Photo Gallery to our front entrance! New staff will be added as they are hired.

Picture Day is March 4th - the photographer will be ready to go by 8:00 am! If your child does not attend on Thursday, you are welcome to stop in and have their photos taken. The photographer will be here until approximately 12:00pm.

Our Parent Board in the front entrance also got an update - events and other important parent information or resources will be added here. Menus, calendars and newsletters can be found on each classroom's bulletin board.

Keep a lookout for some changes to the website and the parent information in the coming months!
